---

Welcome to Coldwater Elementary School! It is with great pleasure that I extend a welcome to each and every student, who is returning to the elementary and to those who are beginning their education at Coldwater Elementary. This is a great place to learn. The staff here at Coldwater Elementary is looking forward to working with you and your child/children this year. We will strive to continue to provide an exciting and rewarding educational program for each and every child at Coldwater Elementary School.

Each family has been provided a copy of the student handbook. You can obtain a copy from the elementary office or on the Coldwater Homepage ([cw.noacsc.org](http://cw.noacsc.org)). Be sure to take the time to read all the information with your child/children. There have been a few changes made this year so please take note. Sign the forms and return them to your child's teacher. Your signature denotes that you and your children will be responsible for all rules and regulations.

We are dedicated to providing a quality educational program in a safe and peaceful environment. Please contact us at (419) 678-2613 if you have any questions or concerns. Together, we can make this a successful year.

Welcome!

Mr. Wade Spencer  
Coldwater Elementary Principal
