Notes:

- Dependent age: to end of the month in which the child attains age 26.

- Members are encouraged to always obtain prior approval when using non-network providers. Precertification will help the member know if the services are considered not medically necessary.
- All medical deductibles, copayments and coinsurance apply toward the out-of-pocket maximum (excluding Non-Network Human Organ and Tissue Transplant (HOTT) Services).
- No charge means no deductible/copayment/coinsurance up to the maximum allowable amount. 0% means no coinsurance up to the maximum allowable amount. However, when choosing a Non-network provider, the member is responsible for any balance due after the plan payment.
- If your plan includes out-of-network benefits, In-network and out-of-network deductibles, copayments, coinsurance and out-of-pocket maximum amounts are separate and do not accumulate toward each other.
- If you have an office visit with your Primary Care Physician or Specialist at an Outpatient Facility (e.g., Hospital or Ambulatory Surgical Facility), benefits for Covered Services will be paid under "Outpatient Facility Services".
- Benefit Period = Calendar Year.
- Costs may vary by the site of service. Other cost shares may apply depending on services provided. Check your Certificate of Coverage for details.
